

## **Additional Clarifications into the Donors' Appraisal Report**

1. On page 3, paragraph 3 from the end should read "not to penalize".
2. Page 4, paragraph 3: new textbooks are developed for the grades in which new national curricula are implemented, e.g. for grades 1, 7 and 10 in academic year 2006-2007, and for grades 2, 8, and 11 in academic year 2007-2008, and onwards.
3. The term *Initial Teacher Education* (ITE) in the Appraisal Report and in the Strategy Paper implies Pre-service, University based training and Continued Professional Development (CPD) for the in-service training purposes.
