

# Clinics on FTI Processes

## Key Issues

---

- How can one establish synergy between FTI programs and sector plans?
  - What strategies would best ensure harmonization among development partners?
  - What are the objectives of the EPDF and how best can countries benefit from using the fund?
-

# Clinics on FTI Processes

## Key Issues

---

- Is there a defined structure for preparing CF progress reports?
  - Are there any models for organizing joint reviews?
  - What is mechanism do steering committee members representing developing countries in the FTI committee use to report back to their constituencies?
-

# Clinics on FTI Processes

## Key Issues

---

- ❑ What are the various modalities for managing CF funds?
- ❑ How does one decide on the Supervising Entity?
- ❑ How can one best sequence the various phases of CF support?

❑ Clinic Leader: Donald Hamilton
