PROPOSED REVISION TO THE CHAD ESPIG

Reference	Decision
BOD/AV/2022/01-01	**Proposed Revision to Chad education sector program implementation grant:** The Board of Directors: 1. Noting that the education sector program implementation grant in Chad has been challenged by multiple crises, including the ongoing COVID pandemic and the political crisis of April 2021 that caused delays in achieving expected results, approves the proposed material revision as set out in Annex 1 BOD/AV/2022/01/ DOC 01, including an extension of the grant closing date from December 31, 2022 to December 31, 2023 and a minor budget reallocation.
