FINAL DECISION

BOD/AV/2022/11-04 - GUINEA: PROPOSED REVISION TO ESPIG

The Board of Directors:

1. Noting that the ESPIG implementation in Guinea has been challenged by the COVID-19 pandemic, the Ebola outbreak and the recent period of institutional crisis;

2. Noting that adequate revised targets have been proposed for the learning outcomes dimension of the variable part;

3. Approves the proposed material revision of the variable part related to the learning outcomes dimension as set out in Annex 1 of BOD/AV/2022/11 DOC 04.
