Texts and Materials

- Texts
  - Guide instruction
  - Provide a source for review and practice
- Classroom Materials
  - Direct teaching of skills
  - Automating decoding and increasing fluency
- Reading Materials
  - To reinforce skills
  - Improve skills

Questions

- How can we best use existing texts and materials?
- How do we design and produce at sufficient scale new materials that are effective and inexpensive?
- How do we make reading materials available in such a way that they are widely used?
