GOVERNMENT OF NIGERIA APPLICATION TO
THE GLOBAL PARTNERHSIP FOR EDUCATION

Donor Endorsement of Application Package for the Federal Republic of Nigeria

To the Attention of the Global Partnership for Education Secretariat

The Education Development Partners in Nigeria have reviewed the Education Sector Plans (ESP) for Jigawa, Kaduna, Kano, Katsina and Sokoto States, as well as the Appraisal Report, Quality Appraisal Report (QAR), and Project Appraisal Document (PAD), all part of the attached Application Package. We are pleased to provide a positive endorsement of this package. We strongly believe that the implementation of this project will lead to signification advances in the provision of basic education in Nigeria, particularly through increasing access to basic education, especially for girls, and improving learning outcomes for all students.

The usual caveats apply to our endorsement. It does not constitute an obligation or commitment of development partner funds. Such commitments, if any, will be subject to separate arrangements and availability of funds. Moreover, the views expressed in this application do not purport to represent the entirety of particular views held by individual development partners, government officials, or other education stakeholders in Nigeria.

We thank you for your support, and remain committed to the success of this and all endeavors in providing an equitable, quality education for all children in Nigeria.
