1. Introduction

In the context of its November 2010 meeting, the EFA FTI Board of Directors requested the FTI Secretariat to proceed with the finalization of all necessary actions to establish the Education for All Fund, and identified the World Bank as Trustee. Since that time, the World Bank as Trustee has worked with the FTI Secretariat to advance work to establish the fund. As a part of the operational design of the Education for All Fund, the Trustee is required to submit a budget request to the EFA FTI Board of Directors for approval. As with all Financial Intermediary Funds where the World Bank serves as Trustee, costs and fees for Trustee services are prepared on a full cost-recovery basis, consistent with the Bank’s policies on management of trust funds. Accordingly, this paper seeks the EFA FTI Board of Directors’ approval of the proposed budget for fiscal year July 1, 2011 to June 30, 2012 (FY12).
