Innovative programs for teachers of reading

1. What does the training ‘look like’: duration, way it is delivered, materials used?
2. What skills do you focus on?
3. Do you help with lesson planning?
4. Are the five components part of the training
Coaching/in-school support for teachers

1. Who does it?
2. How are they trained?
3. Do they assess as well as support?
4. How often do they visit?
5. What is the best kind of coach for sustainability?
Getting scale-up support

1. Have you got teacher’s unions/associations on board? How?
2. Is the government/NGOs interested in certifying your program
