GLOBAL PARTNERSHIP FOR EDUCATION FUND TRUSTEE BUDGET ESTIMATE FROM JULY 1, 2015 TO JUNE 30, 2016 AND UPDATE ON APPROVED BUDGETS FROM JANUARY 1, 2014 TO JUNE 30, 2015.

For Decision

1. PURPOSE

The purpose of this paper is to seek the approval of the Board of Directors for the estimated administrative expenses of the World Bank acting as Trustee for the Global Partnership for Education Fund (the “GPE Fund”) from July 1, 2015 to July 30, 2016 and to provide an update to the Board of Directors on actual costs incurred and revised estimate of the administrative expenses from January 1, 2014 to June 30, 2015.

2. RECOMMENDED DECISION

The Trustee requests that the Board of Directors approve the following decision:

BOD/2015/05/-XX— The Board of Directors approves of the estimated administrative expenses of USD 480,000 for trustee services for the period of July 1, 2015 to June 30, 2016.

3. BACKGROUND

3.1 According to the GPE Fund Governance Document, the Trustee is required to submit a budget estimate to the Board of Directors for approval on an annual basis.

3.2 As with all Financial Intermediary Funds (“FIFs”) for which the World Bank serves as Trustee, the Bank’s costs and expenses associated with delivering Trustee services are reimbursed on a full cost-recovery basis.
4. **TRUSTEE BUDGETS FROM JANUARY 1, 2014 TO JUNE 30, 2015**

4.1 The table below shows details of the budget approved for 2014, its execution and the annualized equivalent of the budget approved by the Board for the first six months of 2015.

4.2 The total staff costs to deliver Trustee services for the GPE Fund have not changed since the 2014 budget approval. The difference between the actuals for 2014 and the budget stems from the higher than expected fund balance in the GPE Fund. The increase in activity related to the replenishment of the GPE Fund and, to a lesser extent the transfer of the pro-rata share of the remaining balance from the Education Plan Development Fund to the GPE Fund, etc. has been absorbed in the approved budget. Based on the execution of the budget approved for the first six months of 2015, the Trustee may ask the Board to approve a supplementary budget to cover the higher than expected investment management fees from January 1, 2014 to June 30, 2015.

5. **TRUSTEE BUDGET FROM JULY 1, 2015 TO JUNE 30, 2016**

5.1 The table below shows the estimated budget for services to be provided by the Trustee, compared 1) to the budget and actuals for 2014, and 2) an annualized equivalent of the budget approved by the Board for the first six months of 2015.

5.2 The budget for fiscal year 2016 decreases by 12% from both the actuals for 2014 and the annualized equivalent of the budget approved for the first six months of 2015. Staff costs are stable while the expected investment management fee is sharply down.
