

Notes:
 Light-green cells should be completed by DCP. Please estimate the value of forecast actual expenditures rather than using budget data. Note that data for 2014 - 2016 has been pre-filled by GPE Secretariat based on information collected from publicly available documents, whereas data for 2017 through 2020 should be filled by DCP.
 Yellow cells will autofill once light-green cells are filled. Cells are locked for editing.

Please describe how the perimeter of education spending was defined when completing this template (i.e. what is included and excluded in education spending). In particular, please reflect on the following:													
1. a. List those line ministries that are primarily responsible for the delivery of education (e.g., Ministry of Basic Education and Ministry of Higher Education; Ministry of Youth and Sports)													
b. Describe any non-education expenditures within the budget of the line ministries listed in 1a.													
c. Describe any education expenditures outside of the budget of the line ministries listed in 1a. Please also specify from which ministries these expenditures are extracted (e.g. Ministry of Health; Ministry of Social Development).													
2. Are non-salary expenditures for staff employed in the education sector (e.g., pensions) included in budgets of the line ministries listed in 1a? If NO, please specify which ministry is responsible for payment of non-salary expenditures, and indicate whether these are included in the value of education expenditure reported above.													
3. Are all sub-federal expenditures on education (e.g., at the state/provincial and local level) included in expenditure figures reported above? If NO, please indicate whether you have estimates on the volume of these expenditures.
