GPE 2020 Strategic Goals

Goal 1
Improved and more equitable student learning outcomes through quality teaching and learning
Core indicators:
- Improved learning outcomes at primary level
- More children under 5 years developmentally on track in health, learning and psychosocial wellbeing

Goal 2
Increased equity, gender equality and inclusion for all in a full cycle of quality education, targeting the poorest and most marginalized, including by gender, disability, ethnicity and conflict or fragility
Core indicator:
- Improved primary and lower secondary completion rates, total and by gender

Goal 3
Effective and efficient education systems delivering equitable, quality educational services for all
Core indicators:
- Increased public expenditure on education
- Improved ratios of pupils to trained teachers
- Improved data reporting

Our Principles
- Education as a public good, a human right and an enabler of other rights.
- Focusing our resources on securing learning, equity and inclusion for the most marginalized children and youth, including those affected by fragility and conflict.
- Achieving gender equality.
- Enabling inclusive, evidence-based policy dialogue that engages national governments, donors, civil society, teachers, philanthropy and the private sector.
- Providing support that promotes country ownership and nationally identified priorities, and is linked to country performance in achieving improved equity and learning.
- Improving development effectiveness through harmonization and aligning aid to country systems.
- Promoting mutual accountability and transparency across the partnership.
- Acting on our belief that inclusive partnership is the most effective means of achieving development results.

GPE’s principles apply and uphold the Paris Declaration on Aid Effectiveness (2005), the Accra Agenda for Action (2008), and the Busan Partnership for Effective Development Cooperation (2011).
