1. Emphasizes its expectations that Committee members will fully participate throughout their mandate and represent their Constituency category to the best of their abilities.

2. Approves revisions to the Committee Operating Procedures and Committee Terms of reference clarifying that:

Recognizing the importance of ensuring constituency category views are consistently represented on the Committees, constituency categories are expected to consult with any Committee member who has not represented the constituency category in two consecutive face-to-face meetings, and if necessary propose a replacement.

c. The use of an Alternate is only permitted if a request is submitted to the Committee Chair prior to the meeting and provided that the reason for absence by the Committee member is beyond his or her control, as determined by the Committee Chair.

d. Requests the Committee Chair and Secretariat to provide new Committee members with an orientation prior to their first meeting.
BOD/2016/12-XX – Cultural Norms for Committee Service: The Board of Directors:

**OPTION 1:** Limits eligibility to be nominated and appointed as Committee Chair to Board and Alternate Board members at the start of each committee cycle, with the Board determining on a case-by-case basis whether to allow a Committee Chair who rotates off the Board to serve out the remainder of her/his term.

**OPTION 2:** Committee Chairs are *preferably* Board or Alternate Board members at the start of each committee cycle, with the Board determining on a case-by-case basis whether to allow a Committee Chair who rotates off the Board to serve out the remainder of her/his term.

BOD/2016/12-XX—Committee Vacancies: The Board of Directors:
1. Emphasizing the importance of ensuring partnership representation at the committee meetings, and the need to be consistent with the self-governing nature of constituency categories, approves that constituency categories adopt one of the following processes for replacing committee members, other than from the Coordinating Committee for which Option 2 will automatically apply:

Option 1: The *constituency* that the member belongs to nominates the replacement for that vacancy. In this option the new committee member’s term is limited to the duration of the remaining term of the departing member.
BOD/2016/12-XX—Committee Vacancies: The Board of Directors: Option 2: The constituency category that the member belongs to nominates the replacement for that vacancy. Where a new call for committee member nominations is placed in the constituency category, the term of the committee member will be for two years.

2. Approves that as part of the committee nomination process, each constituency category will identify which option they will use to replace committee members.
BOD/2016/12-XX—Committee Nominations Process for 2017: The Board of Directors:

1. Noting the fundamental realignment of committee structures and mandates, and the refocusing of committee membership linked to a specific set of skills/knowledge as specified in the revised committee Terms of Reference (Annexes 1-5), determines that all existing member terms will expire at close of business on 1 March 2017, and therefore all committee positions will be open for nomination.

2. Encourages constituency categories to consider the importance of continuity and knowledge transfer in choosing their committee representation.
BOD/2016/12-XX—Committee Nominations Process for 2017: The Board of Directors:
