BOARD AND COMMITTEE SELF ASSESSMENT SCHEDULE 2017-18 -- REPORT FROM THE GOVERNANCE AND ETHICS COMMITTEE

For Decision

Please note: Board papers are deliberative in nature and, in accordance with the GPE Transparency Policy, are not public documents until the Board has considered them at the Board meeting. It is understood that constituencies will circulate Board documents among their members prior to the Board meeting for consultation purposes.

1. STRATEGIC PURPOSE

1.1 The purpose of this paper is for the Board to examine the proposed schedule for the Global Partnership for Education (GPE) Board and Committee self-assessments for 2017-18 term, make recommendation to the Board for approval at its June 2017 meeting.
**EXECUTIVE SUMMARY**

2.1 It is proposed that the GPE Board and each of its committees complete the following self-assessments consistent with the proposed schedules:

- Gender Equality Self-Assessment (Board and Committee), as described in Annex 2.1 and 2.2 of BOD/2016/06 DOC 17. The proposed schedule and questionnaire are attached at Annex 1.
- Self-Assessment of Board and Committee Effectiveness. The proposed schedule and questionnaire are attached at Annex 2.

2.2 The collated results of the assessments will be shared with the respective committee, in addition to being reviewed by the Governance and Ethics Committee consistent with its mandate.

**REQUESTED DECISION**

3.1 The Governance and Ethics Committee requests the Board approve the following decision:

*Summary of Committee Deliberations*

- The Governance and Ethics Committees strongly supported both the Gender Equity Self-Assessment and the Board and Committee Self-Assessment, along with the proposed schedules.
- Committee members unanimously recognized that the proposed self-assessment would contribute to strengthen the governance including the decision making structure, noting that recommendation to improve it will be made to the Board accordingly.
- Committee members specifically stressed that:
  - Both Board members and Alternate Board members should be invited to respond to the survey.
  - It is important to focus on decision-making process. Committee members’ active and informed participation will contribute to assess Committee efficiency and Board trust in Committee’s recommended decisions.
- The Chair noted the Secretariat and the Committees will be implementing the Self-Assessments over this year, and that GEC will review how the process has gone at its meeting in April 2018 to determine if additional support is required.
BOD/2017/06-XX—Board and Committee Self-Assessment Schedule 2017-18: The Board of Directors:
1. Endorses the proposed Gender Equity Self-Assessment, and Schedule, as presented in BOD/2017/06 DOC 09 Annex 1.
2. Endorses the proposed Self-Assessment for Board and Committee Effectiveness, and Schedule, as presented in BOD/2017/06 DOC 09 Annex 2.
3. Requests the Governance and Ethics Committee to oversee the process and provide a final report to the Board at its December 2018 Board meeting.
4. Requests the Secretariat to launch the Board and Committee self-assessment schedule beginning September/October 2017.

4. BACKGROUND

4.1 Self-assessments are an important tool for assessing and developing the capacity of individuals and organizations.

4.2 At the November 2013 Board meeting, three standing technical committees and a Coordinating Committee were established to support the Board in its governance and decision-making. Since that time, there have been a number of governance reviews;

- A governance review was conducted in 2015, with the objective in part to evaluate the performance of the governance structure after the first 2 years of implementation.
- In December 2016, the Board approved various changes to Committee mandates and increased the number of Committees to five including, Grants and Performance Committee (GPC), Strategy and Impact Committee (SIC), Finance and Risk Committee (FRC), Governance and Ethics Committee (GEC), and the Coordinating Committee. (BOD/2016/12-12)

4.3 This paper proposes the schedule and process for self-evaluation of the Board and Committees, to be conducted bi-annually. Establishing the practice of routinely providing for the self-evaluation of Board and Committee effectiveness is a good governance practice.

4.4 In addition, the paper includes a separate schedule and process for self-evaluation of the Board and Committees in the area of gender equality, in keeping with the Board-approved Gender Equality Policy and Strategy 2016-2020. The policy and strategy note the need to strengthen the capacity of the Secretariat, Board and Committees to lead on gender equality. Accordingly, the Secretariat has developed a proposed approach for enhancing the knowledge and access of Board/Alternate members and Committee members in the area of gender equality.

5. OVERALL ANALYSIS
5.1 The broad objective of the Self-Assessments is to highlight areas of strategic importance or improvement that could be used to guide future discussions on Board/Committee effectiveness.

5.2 Both self-assessment surveys are open to all Board/Alternate members and Committee members as described in Annex 1 and 2.

5.3 The Self-Assessment for Board/Committee Effectiveness survey is structured as anonymous and confidential, and includes 41 questions. It uses a color-coded scale or the "traffic light" system to record responses (green=satisfactory; yellow=needs more attention; red=unsatisfactory). Filling the Comments/Suggestions boxes in the Questionnaire is optional and is used by Board/Alternate members and Committee members to add explanatory comments to their responses to the color-coded scale, to raise qualitative issues that go beyond the scores and comment on effectiveness of the GPE Board/Committee’s performance vis-a-vis the expectations.

5.4 In addition to the proposed written self-assessment, calls/conversations could be scheduled by members of the GEC and/or Governance team to get additional substantive feedback should it be required.

5.5 The proposed Self-Assessments set out in Annex 2 do not replace a dedicated process for Board Chair Performance Evaluation.

6. NEXT STEPS

6.1 Once approved by the Board, the Secretariat will launch the process, and report back to the Governance and Ethics Committee at each stage, so that a final report to the Board may be presented at the December 2018 Board meeting.

7. IMPLICATIONS FOR SECRETARIAT RESOURCES

7.1 The Secretariat will allocate resources to support the Board and Committee self-assessments. The existing Governance focal points for each committee and the Board will be sufficient to complete this work, with the additional input of the technical specialist in the case of the Gender Equity Self-Assessment. No additional resources are required.

Annex 2: Self-Assessment for Board and Committee Effectiveness

Research has shown that boards of directors and committees of organizations that take time to regularly assess their performance are more effective than those that don’t.

The results of a short self-assessment covering key aspects of board/committee performance, including at the individual and organizational level, when summarized and analysed, provide an excellent basis for learning and board and committee self-development.

The following Schedule is proposed:

June 2017  Board approves Self-Assessment for Board and Committee Effectiveness Schedule

Sept - Dec 2017  Baseline Survey – Self-Assessment for Board and Committee Effectiveness is administered to the GPE Board and committees.

Mar-April 2018  Results of Baseline Survey reported back to Committees. Governance and Ethics Committee (GEC) to review results and make adjustments as required

Sept-Dec 2018  Follow up Survey – Self-Assessment for Board and Committee Effectiveness is administered to the Board and each committee.

Nov-Dec 2018  Results of follow up survey reviewed/discussed by relevant committee and Board. Results discussed by GEC for any required follow-up/recommendations to the Board
