RE: LOCAL EDUCATION DONOR GROUP ENDORSEMENT OF THE GOVERNMENT OF GUYANA'S EDUCATION SECTOR PLAN

Dear Ms. Albright:

The Donor Group of Guyana would like to share its endorsement of the Guyana Education Sector Plan 2014-2018 (ESP) with the Global Partnership for Education (GPE). The Education Sector Plan was prepared under the leadership of the Ministry of Education. This Plan refers to the harmonization and coordination of the efforts of members of the education sector for the common goal of achieving education for all.

The draft Plan was presented to the donor community. The donors engaged in an active discussion regarding the Plan’s policies, proposed strategies and provided feedback. The MOE incorporated the comments into the final version of the Plan.

Sincerely Yours,
