GPE in 2016: 13.2 million children supported

Milestones for gender parity met

745,000 more children completed primary school and 816,000 more completed lower secondary school

20% of public expenditure to education or increased

Pupil-to-trained-teacher ratios improving

Data availability milestone exceeded

globalpartnership.org
2016 Results Report: challenges

- Pre-primary enrollment ratios
- Gender parity in out-of-school children
- Grant alignment
- Data on learning
## Costed management actions in response to 2016 Results Report

### Pre-primary enrollment ratios
- Investments through ESPDGs and ESPIGs
- KIX support

### Gender parity in out-of-school children
- Roll out Gender Equality Strategy
- Knowledge products – toolkits, guidelines, operational manuals

### Grant alignment
- Strengthen country support
- Promote good practices and knowledge
- Improve dialogue with Grant Agents
- Update QA processes
- Conduct technical review

### Data on Learning
- Strengthen learning assessments
- Update QAR
- KIX support

---

**GLOBAL PARTNERSHIP for EDUCATION**

globalpartnership.org
Improved & more equitable learning outcomes

- Learning assessment in 35 grants
- Teacher training in 40 grants
- Investment in curriculum/materials in 35 grants

3 million textbooks, 1,530 teachers trained in Eritrea
Increasing gender equality through sector planning

• Activity in 30 grants

• Targeted and integrated approaches
  ➢ Targeting: invest in female teachers and administrators
  ➢ Integrating: develop gender sensitive curriculum

Grants for 100,000 girls and 6,000 teachers in Nigeria
## Gender equality strategy: June 2016

### Six components

1. Mainstreaming
2. Strengthen capacity
3. Sector work
4. Cross-sector coordination
5. Monitor results
6. Knowledge exchange

### Implementation

1. Review operations
2. Needs assessment
3. Regional planning workshops
4. Assess interventions
5. Results Report 2016
6. Proposed KIX theme

### Next steps

1. Strengthen RF, QA; Gender Advisory Group
2. Board self assessment
3. Workshops, training
4. School health and gender, good practices
5. Indicator refinement
6. KIX
Support in crisis

- 51% of implementation grants
- Grant restructuring in 20 countries
- Emergency preparedness planning
- Refugee inclusive programs
- Coordinating with UNHCR and ECW

→ Textbooks to 6,000 refugees in Kenya
Honduras

- New Sector Plan
  - Education Sector Plan Development Grant
  - LEG engagement
  - UNESCO IIEP support
- GPE Multiplier Interest
Grants pipeline

2017

4 ESPIGs approved at US$20.9 million
Total disbursements estimated at US$450-500 million
16 ESPDGs at $5.4 million, ESA in 17 countries/federated states

2018

Strengthening GPE

Enhancing quality and delivering results

Leveraging finance and knowledge

Improving effectiveness and efficiency
Enhancing quality and delivering results

Results Report/Findings | Managing Risk | Quality Assurance
Managing risk

Operational Risk Framework

- Country | Grants
- Risk-Based QA
- Risk Management Plans
- Grant Portfolio Reassessment

70% countries medium or low risk
9 key focus countries (down from 16)
Risk decrease in 11 of 47 grants assessed

Risk Management Report

- Corporate Risk | Portfolio
- Semi-annual assessment
- FRC evaluation
- Proposed Risk Management Policy review
- Risk Matrix updated
- Mitigation actions implemented

globalpartnership.org
Quality Assurance

Efficiency

- Expand knowledge of varying Grant Agent QA processes
- Joint pilot with World Bank and UNICEF to streamline QA
- Adaptive QA process for all Grant Agents

Effectiveness

Better support to DCPs
Leveraging finance and knowledge

- Domestic finance
- GPE Multiplier
- KIX/ASA
- Private Foundations/Private Sector
Domestic finance

Evidence

20% of public expenditure to education or increased

Policy Refinement

› Assess status during QA
› Measure progress – RF: Indicator 10 (UIS)
› Monitor Risks

Consequences relate to future grant

Replenishment

✓ Outreach to 63 DCPs for pledges
✓ 70 total requests for pledges (countries and federal states)
